### Have I a Problem?

Everybody has problems.

They say the first step is to acknowledge  
that I have a problem,  
that acknowledging my weakness would  
open the way to recovery. But it's not as easy  
as it seems, because pride tells me that  
I haven't got a problem, or that I can handle  
it by myself.

Lord, give me the courage to admit to  
my problems and the humility  
to seek help with them.
