The Eucharist

When we celebrate Eucharist we do it as part of a community. God built us for relationship and when Jesus gave us the gift of the Eucharist he wanted to pull people together. At Eucharist we come together during happy and sad occasions. We come when we are searching, when we are feeling down, when things are going great and when we are uncertain. When we go to Mass we are not going to an isolated event and then returning back to our normal lives. Eucharist and our normal everyday lives are so connected and interwoven that you cannot separate. Through the Eucharist Jesus wants to hold our everyday lives, the good, the bad, the beautiful, the ugly, the trivial and the special moments. Not just a few things of our lives but simply everything.
