Talents

To each of us is given a gift and it is not randomly given.

The gift is chosen to fit our personality and abilities.

Each one of us is unique and although others may have been given the same gift, no two of us will ever use it in the same way.

Each one of us, depending on our personality and abilities, will develop our own style, techniques and ways of using our gift.

The greatest misuse of your gift is not to use it at all!!!
