## Lent

Lent translates as 'springtime'. Everyone welcomes spring, warmer days, the arrival of flowers and new life bursting forth in nature. Lent can also be a time for spiritual growth and renewal. It is always great to be able to open windows on a fine fresh day. You can feel the breeze rushing in to sweep out the stale air. Lent is about removing what is stale and stagnant in our lives and asking God to replace it with life, growth, energy and freshness.
