Thought for the Day

If we tend to see today as the same as any other day then we have lost our sense of awareness. Yes there is a lot of repetition from day to day in many of the things we do, but the blessings that today will bring will never be the same as the ones you had yesterday and tomorrow is an entirely different story. Busy lives and heavy working schedules put on the blinkers on our awareness of these blessings. Can we pause when a special moment happens? Can we hold it? Can we allow it to inspire us? Every inspiring moment has its roots in God.
