**November**

November is the pause button of the year, if we could but open our hearts to it. It comes to us, not wrapped in the glowing colours of other seasons, but in sombre, dark tones. It is our Loss if we try and run away from the invitation to think of those who have gone before us and to keep in mind where we are going and our own last end. November may not be our favourite month but it has a lot of offer.
